

PRESS RELEASE

Gerrit Sperling joins investment and asset manager KAURI CAB

Berlin, September 11, 2017. Berlin-based investment and asset manager KAURI CAB Management GmbH has added Gerrit Sperling to its team as "Head of Portfolio & Asset Management". He will support KAURI CAB's nationwide expansion.

The 46-year-old economist Gerrit Sperling has 14 years of experience in the areas of transaction, portfolio and asset management, real estate management and controlling, most recently as managing director of the In-west / IWG Group. He has particular expertise in the supraregional control of large residential real estate portfolios. Mr. Sperling was responsible for portfolio sizes of up to 25,000 units.

Dr. Andreas Baltrusch, Managing Partner of KAURI CAB Management GmbH: "We have been working very successfully with our primarily institutional capital partners for many years. Our very good Deal Pipeline and success with our partners have encouraged us to expand into additional regions. We are pleased to take on new asset management clients and now, with Gerrit Sperling, have another highly experienced expert on board."

About the company

KAURI CAB Management GmbH is a Berlin-based, owner-managed investment and asset manager. KAURI CAB has been investing since 2008 together with international and national capital partners in residential and commercial real estate, with currently approx. EUR 800 million assets under management in Berlin, Magdeburg, Erfurt, Jena and Wiesbaden. KAURI CAB covers the entire value chain of real estate investments from acquisition to sale, including structuring & financing, asset & construction management and controlling & reporting. In property management, the company prefers to work with local partners.
